

Want To Enter?

With ten teams already signed up, and expectations that ten or 15 more teams will enter this week, the Daly City Record's Bowling tournament is rolling along like the proverbial moss-less stone. Entries will close at 6 p. m. on February 23. No entries will be accepted after this date.

"Mac" Hammar and "Gil" Gilroy, proprietors of the Daly City Bowling Alleys, 6287 Mission street, and the Record tournament committee, have issued a standing invitation to all bowlers to enter.

"We want everybody to feel welcome to enter this tournament," Hammar said today. "Any five players and an alternate may form their own team. Any bowler without team affiliations, may sign individually, and he or she will be placed on a team when the schedule is drawn up."

The Record has printed entry blanks and tournament rules. These may be obtained at the Record office, or at the bowling alleys. The tournament rules are simple, but all bowlers are urged to read them before signing. The rules are printed on the reverse side of the entry blanks.

Beautiful trophies are being purchased by the Record for individual scores as well as for winning teams. These awards will be presented at the close of the tournament for the teams that finish first, second and third; for individual high single game score and individual three-game series score, in addition to awards for ladies and for second and third places in each of the above classifications.

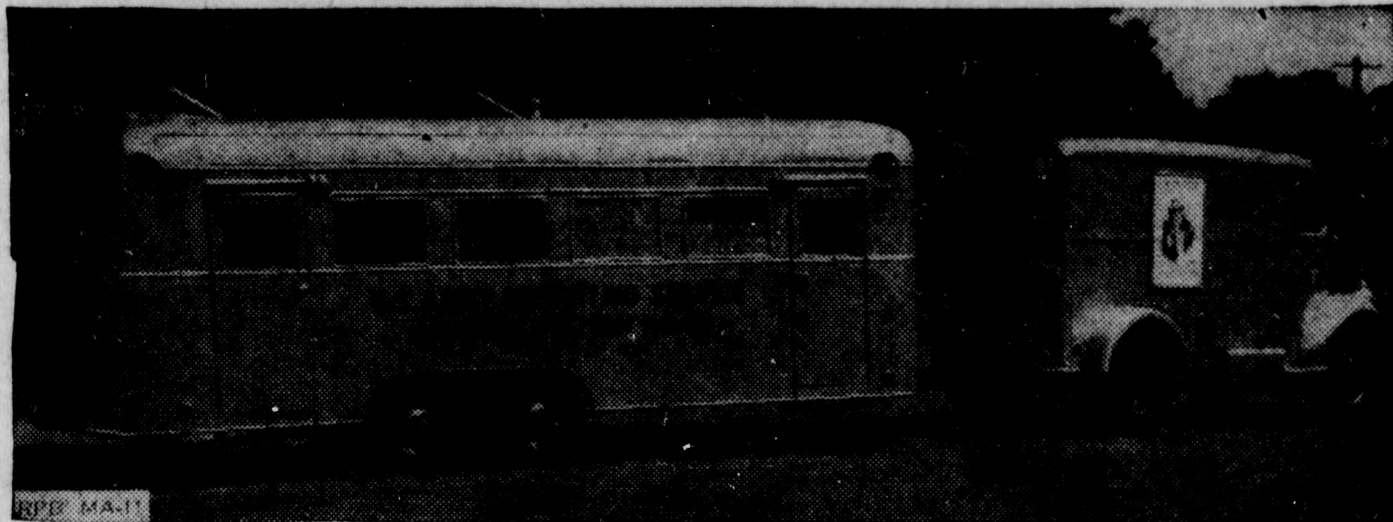

Merchants desiring to sponsor teams may notify the Record or the bowling alleys, and entry blanks will be furnished them.

Council Approves Lighting Plan

The Recruiting Service Hits the Road

Daly City was given an opportunity to hear the army's story direct, yesterday and today. The trim, silver truck and trailer shown above comprise United States Army Recruiting Service Mobile Station No. 9-1, which was stationed locally to offer young men of this community an opportunity to investigate what the regular Army has to offer them as a career.

Vacancies exist in nearly all branches of the service and in all parts of the western states, Hawaii, Philippines, and Panama, said Sergeant Robert A. Lamkins and Sergeant Roger L. Cass, who brought the unit here.

Parents were invited to visit the unit and obtain any information about the Regular Army.

Expect To See Reduction In Local Traffic Tolls

Taking measures to reduce traffic tolls in Daly City, the board of councilmen Monday evening unanimously approved a plan calling for extensive improvements in the lighting system of San Jose and Mission streets.

Blueprints were submitted by Councilman Henry Sundermann, chairman of the lighting committee, following an exhaustive survey of several months.

The plan calls for an approximate investment of \$6000 on the part of the P. G. and E. company in order to provide 29 more lights, a greatly increased candlepower throughout the system, and the new bracket type of light and holder.

Cost to the city will be an increase of \$103.45 per month above the present \$256.16 lighting bill, Sundermann said.

According to the plans, every globe on Mission and San Jose within Daly City will be changed to a new hazel-nut shaped globe, hanging from a 6-foot horizontal arm, which will reflect light directly into the street.

Extra lighting will be provided at dark corners and safety zones.

Recommendations to bring the fire department up to date, at an estimated cost of \$35,000, were received from the Board of Fire Commissioners. The letter declared the board in favor of a plan presented at a recent commissioners' meeting by Fire Chief

Midnight Gale Causes Short In Alarm System

Saturday's midnight gale caused a short in the fire alarm system, setting off an eerie wailing which brought firemen out of warm beds and kept crew members of the water department working in the rain until 3 a. m.

The line break occurred at San Diego and Vista Grande avenues. The water crew worked all day Sunday until 4:30 p. m. repairing the broken wires, A. J. Bodien, superintendent, reported today.

Complete Preparations For Municipal Concert

"Have you ever heard the Daly City Band?"

This is the question Bruce H. Boynton, local WPA Recreation director, is asking around town this week. Boynton is putting finishing touches on preparations for the Daly City Band's second municipal concert which will be presented here February 28 with the cooperation of the recreation department.

"If you haven't heard the band yet, you're missing something," Boynton told the press. "If you have heard it, you'll want to" (Continued on Page 3)

Place Reckless Driving Charges Against Pasadis

Reckless driving charges have been placed against Steve J. Pasadis, 1668 Market street, as the result of an accident in which a pedestrian, Fred J. Anderson, 5 Bismark street, was injured here early Saturday morning.

Daly City police report that Anderson was struck at 2:25 a. m. while crossing Mission street between Los Banos and Knowles avenues. Taken to the Villa hospital by Daly City ambulance, he was later transferred in a semi-conscious condition to Community hospital.

Following an investigation of the case, police released Pasadis, who will appear before Judge Wade H. Clay on Friday.

Firemen Sponsor First-Aid Course

Artificial respiration, wrapping of bandages and proper treatment for burns, bleeding, poisons—all will be taught at a first-aid class which opens next week under the auspices of Company No. 1, D. C. F. D.

The ten-week standard American Red Cross course will get under way at 7:45 p. m., Tuesday, at the No. 1 firehouse, 188 Santa Barbara avenue. It will be open to the public.

Bob McCoughlin, representative of the E. Bullard safety appliance company, will teach the two-hour session each Tuesday. Both standard and advanced cards may be renewed at this class.

Although more than half of Daly City's firemen hold first-aid cards, many others wish to take the first-aid course, according to Captain Kai Petersen of Company No. 1.

The general public is cordially invited to avail themselves of this opportunity to learn simple first-aid measures.

BRINGING HOME THE BACON

Daly City Feline Aristocrats "Stole The Show" In This Year's Competition

Trophies, blue ribbons, gold cups, medals—Daly City cats lap them up like spilled cream.

This is a cat story, but no one can be "catty" about it. Out of a dozen beautiful pets entered from this community in the San Francisco Cat Show this weekend, not one single Daly City feline returned home without a cup or ribbon.

Although Daly City cats have been winning consistently in the annual event, this year they "stole the show" . . . a show in which they competed with more than 150 prize cats from throughout the entire United States.

Double Champion Cherie of Nor'cliff, tortoise-shell female owned by Mrs. Paul Harrington, 365 Lowell street, went best champion. This starts her career as a grand champion.

Waggener was fined \$100 by Judge Wade H. Clay on Friday, with \$50 suspended. Testimony at the trial indicated that Waggener failed to see the lad on his scooter until it was too late to stop. The (Continued on Page 3)

Popular Lieutenant Recovering From Heart Attack

"Have you heard how Barney is?" everyone is asking everyone else this week—councilmen, clerks, police officers, home-owners.

Well, Barney—known more formally as Police Lieutenant A. L. Hilton—is reported improving today. Although he is still in the hospital and must remain quiet for several weeks, the worst effects of the sudden heart attack which struck him a few days ago seem to have worn off.

The lieutenant was driving himself and five other officers to evening school in San Mateo a week ago Tuesday when he was suddenly choked by the attack. Using (Continued on Page 4)

Chameleon's Colors

The chameleon does not arbitrarily imitate the hue of the object on which it rests, nor is the process wholly under its control. The changes are reactions to certain conditions of light and temperature and to various emotional states, such as fear and anger. The physical cause may be traced to two differently colored layers of pigment under control of the nervous system. The best known species is ordinarily a greenish-gray, from which it changes to emerald green or to dull black, sometimes showing reddish or yellowish spots.

We've put one over on the yardsticks

Buick SPECIAL 4-door Sedan, model 47, \$1021.★

Here are FOUR NEW ADDITIONS to the BUICK SPECIAL Line that Compact Motorcar Bigness into Handy Size

TIME was when you measured a car's ability and standing by the yardstick distance from bumper to bumper.

But not any more — not entirely.

Not since Buick made ready the four new additions to its 1941 SPECIAL series that are built for big-car travel tastes — and small-car garages!

They are cars to take the measure of almost anything on the road in the lift and life of their 115-hp. Buick FIREBALL engines.*

They are cars with room for all the family, with all the little Buick

luxury touches, with the unrivaled comfort of Buick's all-coil springing and steady-going roadability.

But bumper to bumper they are shorter — so they fit your garage, park like a bicycle and flit through traffic with ridiculous ease.

And they go farther on every gallon — farther, even, than other Buicks.

So you can't take their measure with a yardstick.

You've got to measure them by what they do for you — in the easier handling, the bigger thrill, the extra convenience they add.

And when you hear the prices on them — prices made lower by their new compactness—you'll find they measure up plenty BIG in the dollar-for-dollar value they put within your reach.

How about seeing them — now?

*Add Compound Carburetion at slight extra cost and horsepower steps up to 125 while gasoline mileage goes even higher.

Both communications were placed on file.

Unit Sponsors Americanism Essay Contest

Daly City school children will be busy this week writing down what they think of America, re-examining for themselves the fundamental principles of democracy. The occasion is the annual Americanism essay contest sponsored by Daly City Unit No. 410, American Legion auxiliary.

National Defense Chairman Alice Reilly and Americanism Chairman Kathleen Matzek announced today that the essay subjects are already announced in local grammar schools and the high school.

At the regular meeting of the auxiliary last Wednesday night, plans were completed for the whist party which will be held February 19 at Legion hall. An evening affair, the card event will feature many outstanding prizes. The public is cordially invited.

OBITUARY

Hold Services For Adolph Gehringer

Scores of friends in this community this week mourned the death of Adolph Gehringer, one of the earliest pioneer residents of Daly City. He had lived here for the past 34 years.

Gehringer died early Friday morning at his home, 67 Woodrow street. Funeral services were conducted Monday afternoon from the W. C. Lasswell chapel, with cremation at Olivet Memorial park.

A member of Modern Woodmen of America and of the carpenters' union, he is survived by his wife, Mrs. Gertrude Gehringer; a daughter, Mrs. Emmarillis Dunham; a son, David Gehringer; and four grandchildren, Bobby, Michael and Dana Dunham, and David Gehringer jr.

Hold Last Rites For Harry Kraus

Harry Herman Kraus, well-known former resident of Daly City, was buried in Holy Cross Memorial park Saturday, following funeral services in San Francisco. He had been ill at St. Francis hospital for only two weeks before his death last Wednesday.

Kraus formerly made his home at 346 Irvington street with his mother, Mrs. Dora Kraus. In addition to his mother, he is survived by his wife, Ruth, and two stepchildren, Charles and Dolores Romero; his brother, Rudolph Kraus, San Francisco; and his sisters, Mrs. Ann Eason and Mrs. Julia Byrne, Daly City, and Mrs. Betty Pizzirulli, Modesto. He was the uncle of Dorothy, Hazel and Jack Eason, of Barbara and Rudolph Kraus jr., and of Bob, Howard and Dorothy Byrne.

He was 44 years of age at the time of his death and was living on Bank street in San Francisco. He had not been well for the past two months.

He was a member of the Eagles lodge, and of the Ingleside Sportsmen's club.

Funeral Services For Mrs. Emily Scheel

Funeral services for Mrs. Emily Scheel, 32 Miriam street, were conducted Thursday afternoon in San Francisco under the auspices of Crocker Chapter No. 382, Order of the Eastern Star.

A resident of Daly City for many years, Mrs. Scheel was a member of the chapter and served last year as "Martha," one of the officers.

Mrs. Scheel died at Saint Luke's hospital, San Francisco, last Tuesday. She is survived by her husband, Kurt, and stepson, Kurt jr.

Cremation was at Cypress Lawn memorial park.

LEADERS OF HIGH SCHOOL PTA

—Photo by Staff Photographer Dale Hovey
Leaders of one of the largest PTA units in the North End of San Mateo county, 1940-41 officials of Jefferson Union High School PTA smile for the camera at a recent executive board meeting.

Demands made upon their time are varied and exacting. Efforts to promote the welfare of students, bring about a closer relationship between school and the home and secure adequate laws for the protection of minors all combine to form a PTA program of far-reaching importance.

Organized more than fifteen years ago, the local high school PTA now boasts approximately 120 members. All mothers are cordially invited to attend the regular meetings, held at 2 p. m. the third Wednesday afternoon of each month at the high school.

Shown above in the front row, reading from left to right, are Mrs. Mildred M. Seiler, president; Principal James Ferguson, honorary vice-president, and Mrs. Allene Lehigh, vice-president. In the second row, left to right, are Mrs. Lillie Cavagnaro, treasurer; Mrs. Maude Hanselman, parliamentarian; Mrs. Dorothy Remington, historian; Mrs. Grace Hill, recording secretary; and Mrs. Georgia Busch, corresponding secretary.

Richard Hanley, Well-Known Pioneer Resident Succumbs

Many Daly City friends were saddened this week by news from Vallejo of the death of Richard Hanley, former resident of Daly City for more than twenty years. A former member of Company No. 2, D. C. F. D., Hanley made his home on San Diego avenue here before moving to Vallejo two years ago.

Death came suddenly last Tuesday to the 62-year-old pioneer. Services were conducted in Vallejo on Saturday.

Hanley is survived by a son, Elmer Hanley, 43 Woodrow; and a daughter, Elverna Hanley, Vallejo.

De Soto Hits All-Time High

Word of a record-smashing, all-time high in De Soto and Plymouth sales in Northern California has been received by James E. Donahue, Daly City De Soto Plymouth dealer.

Van W. Peabody, vice-president and general manager of James F. Waters, world's largest distributor of the two popular cars, in complimenting Donahue for the part he played in attaining this unprecedented record, said:

"New and used car sales made by our Northern California De Soto-Plymouth dealers for the calendar year 1940 totaled 24,984 units with a dollar volume of business approximating 15 millions—a gratifying increase of 43.2 per cent over 1939. The breakdown of the figures shows 8485 new cars and 16,499 used automobiles sold during the year. This sales volume is tremendous and tops anything in our history, both as to units and dollar volume.

"My heartiest congratulations go to Donahue," said Peabody, "for most alert and aggressive participation in chalking up this enviable record."

Donahue, in return, pays tribute to the many superior features of the new 1941 De Soto and says that from current indications it will produce even greater sales history during the present year.

"De Soto's Fluid Drive with simplimatic transmission, alone, is meeting with the instant approval no other advancement has enjoyed since the self-starter," Donahue reports.

Tees for Three

At Yonkers, N. Y., a water tower marks the spot where the first golf tee in this country was located. Early niblick fans, however, found the pasture was too hilly for golf and abandoned what might have been America's first golf course after only three holes had been laid out.

Strange Street Names

Lisbon in Portugal has some strange street names, including the Street of the Little Englishman, Street of the Mother of War, the Sad Ugly One Street, and the Alley of the Faithful of God.

London's Autumn Flowers
In the countryside around London in the fall can be found Heather and Willow Herb in flower, Travelers Joy in the Hedgerows, Convolvulus, Teazles, ivy in bloom, and plenty of blackberries and nuts for the gathering.

Sir Harry Lauder
Most of the tourists who come to Hamilton, near Glasgow, come to see the place where Sir Harry Lauder worked as a pit-boy in a mine. No one since the days of Sir Walter Scott has made Scotland better known or better loved.

Bicycle Baby Trailer
An engineering works employee at Ashtabula, Ohio, has devised a "baby trailer" to be attached to bicycles or tricycles. Mike Zalimeni, seeking a patent on his device, says the "knee-action" trailer will enable people to take the baby along on bicycle trips.

Weed Growth
Proof of the tremendous strength of growing weeds was shown at Winnipeg, Manitoba, when a piece of lumber an inch thick, through which had grown a dandelion root, was found in a lumber yard.

Committee Names Camp Director

Mrs. Glenn Baker, San Bruno, was selected again to serve as camp director for the coming year, at the regular meeting of Daly City Girl Scout committee, Friday evening. The camp will probably be held during the latter part of June.

Attending Friday's meeting, held in the local WPA Recreation offices, were Mrs. Baker, Mrs. Lyla Ingersoll, Mrs. Mary Crane, Mrs. Emma Sorg, Mrs. Frances Leach, Mrs. Lyla Eldrup, Mrs. Emily MonSanto, Mrs. Edith Douglas and Mrs. John Mosman.

Scout committee members, leaders and friends will gather this afternoon at 12:30 p. m. at the home of Mrs. Ingersoll, 439 Crocker avenue, for a luncheon and whist party. The public is cordially invited to attend; a small admission will be charged for the benefit of camp equipment.

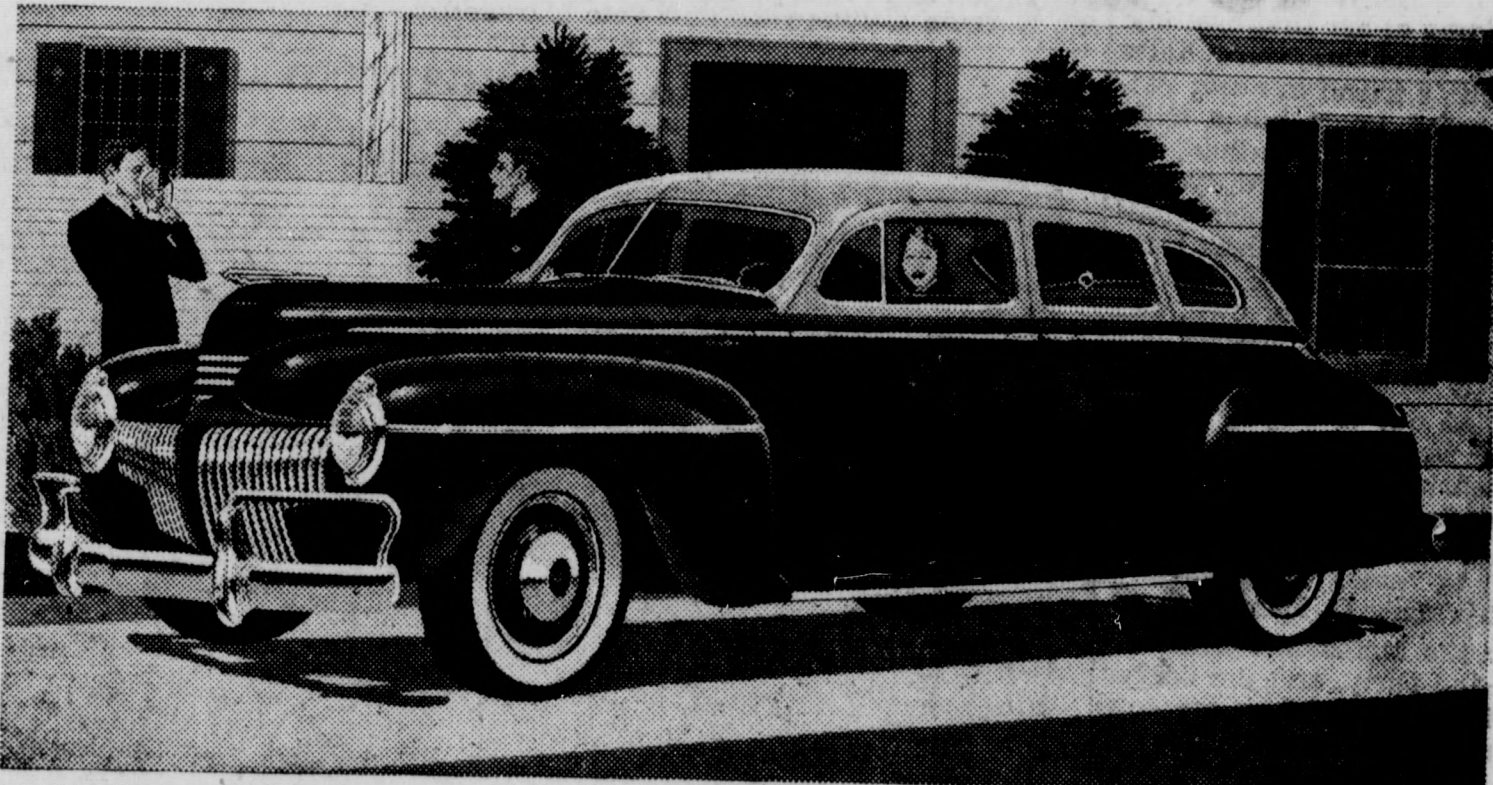

Tuesday, May 20, is the date selected for the big camp whist sponsored by the Girl Scout committee.

Next meeting of the committee will be at 7:30 p. m., Friday, March 7, at 101 Parkview avenue.

Home Equality

An extensive survey taken at Pasadena, Calif., relative to father's place in the home, revealed that the majority of mothers believe if father will just keep out of the kitchen he isn't a bad person to help out along other lines of housework. The final conclusion was that America is achieving equality in home making—meaning that father is doing an increasing share of the "housework."

News of Daly City's Organizations

Large Crowd Attends Eagles Anniversary Night

A capacity crowd filled Eagles hall, Thursday night, when Colma-Vista Grande Aerie No. 1848 honored past presidents of the order and celebrated the thirty-second anniversary of the founding of the aerie.

Past Presidents Fred Klingler, William J. Sweeney, William Wright, Carl Anderson, Harry Hutchings, Eric Deibel and Hugh Rodgers conducted the initiatory rites for the class of ten new members.

Thomas Gosland jr., trustee and past president of San Francisco Aerie No. 5, spoke on the benefits in character-building a member can derive from the order. Arthur Bodien, past president, gave historic highlights of the local aerie, telling how it was formed in 1909. The number "1848" signifies the discovery of gold in California, although two years of research were necessary to prove it, Bodien said.

The program was topped with the presentation of twenty-year pins to Otto Schramm, Sam Eldrup, Peter Pavlos and G. Tolovi. The pins were awarded by Barry Shaw, who was the president in office when these members were initiated into the order twenty years ago.

Entertainment was furnished by the Eagles Drum Corps of No. 5 aerie, who played a "surprise concert," and also by the local aerie's "jazz band," led by Bert Meritt. Dale Hovey, Mel Battye and Bill Johnson are members of the orchestra.

A community sing was enjoyed by members between courses of the "spaghetti feed" which climaxed the evening.

Matoakans Present First Of Plays

"The Matoakans" presented the first of a series of plays Wednesday evening, January 29, at Yosemite hall in San Francisco.

Taking a leading role in the clever skit was Mrs. Olive Hoover, 1040 Brunswick street, who acted as hostess, timid and nervous, presiding at her first meeting. Other cast members were Retta Woodworth, a friend in need; Patricia Schaefer, smart but a trifle malicious; Mary D. Hamilton, energetic; Hazel Haugaard, young and highly esthetic; Helen Hennesy, old-fashioned; Helena Haugaard, the giggly type; Marion Welch, able to hold her own, and Sophie Moeller, who arrived late with a chip on her shoulder.

It turned out to be "A Lovely Meeting," written by Sophie Kerr, now appearing in a current magazine. Guests of the evening applauded the presentation and remained to enjoy refreshments served by Mary D. Hamilton.

Today the Matoakans will hold a Valentine party, and the degree team will drill. Members are cordially urged to attend.

Peace or War

Speaking of shot and shell, Diego Carrales Noya, Spanish civil war veteran, found peace deadlier than war. Noya went through the entire conflict without even a scratch. But upon returning to peacetime pursuits he got himself a job, was killed five hours later when a rock fell on him.

Concord Grapes

In 1840 some boys of Concord, Mass., gathered wild grapes in the nearby woods. On their way home they threw some of the seeds on the land of Ephraim Bull. Mr. Bull preserved one of the seedlings that sprang up, and when it fruited he planted its seeds. One of the second generation of plants proved superior to the others, so he preserved this, which became the parent of that variety of grapes. Thus the "Concord" grapes.

Self-Control

Men and women are not like leaves, blown about by every wind, or like clay, receiving and retaining whatever impress is made upon them. They have an inward force enabling them to control, to a large extent, the influences that bear upon them—to welcome some, to resist others, and not only passively to receive, but actively to digest and assimilate that which they receive, so that it becomes a very part of themselves.

Ancient Tree

The General Sherman, a tree in Sequoia National park, is calculated to be 4,000 years old. Thus the 272-foot sequoia was a sapling before Babylon's glory.

Turkish Messengers

The ancient Turkish nobles employed many lackeys and footmen, called peichs, as messengers. To increase the resemblance between themselves and horses they carried a silver bit in their mouths while on errands for their masters.

Song Bird Club

Late in the eighties the Portland (Ore.) Song Bird club, a society for the introduction of useful song birds, was founded. This organization raised considerable money and imported many birds between 1888 and 1907. It nearly succeeded in establishing the skylark in the neighborhood of that city between 1888 and 1908. The species certainly bred in the neighborhoods of Portland, Salem and Gresham, and existed for 20 or 30 years. The bureau believes that one of these colonies is thriving at the present time.

Welcome Soldiers

Darwin, isolated outpost of northern Australia where beer costs 2 shillings (50 cents) a bottle owing to high transport charges, has suffered a beer famine. Gladly the people of Darwin welcomed contingents of the Australian defense forces. Promptly these same troops drank all the beer in the town.

Meet a Wise Motorist

"Corky," small horned owl, flew into F. E. Yarnell's 1941 Studebaker Champion as Yarnell, Nevada mining man, was touring the West. The motorist persuaded the WPA Recreational Project to build a little home for his pet and now wherever he travels, the owl is his constant motoring companion. Even when the car windows are open, "Corky" refuses to leave the Champion.

At Perpetual Help School**FIRST GRADE**

A miniature zoo can be seen in the first grade class room, complete with animals and cages. The first graders have been busy working on the zoo ever since they finished reading about animals a few weeks ago.

Some of the children have brought little toy elephants, bears, dogs and cats, while others have made cages out of cardboard.

SECOND GRADE

Last Monday the second graders had an exciting spelling match during their spelling period. The idea of the game was to see who could out-spell the other. At the end of the spelling time, Barbara Vdaloff, Mary Hanley, Gail Nieland and Robert Varni were still standing.

THIRD GRADE

The children of the third grade are planning a surprise for little Pat Byrne, who is in the St. Mary's hospital recovering from a severe accident. The children have decided to send him valentine cards along with their wishes for a speedy recovery.

Mothers Club Plan Valentine Social

Friday is Valentine's day as all mothers know. The Mothers club of Our Lady of Perpetual Help school will celebrate the occasion with a social which will follow the regular meeting at 8 p. m. at the parish school.

Chairmen of the evening will be Mrs. Helen McDonough and Mrs. Josephine Reardon. All mothers are cordially invited.

Mrs. Madeline Ford and her committee today expressed their thanks to all who helped make the recent whist party so successful.

The sewing circle will meet at 10:30 a. m. today at the home of Mrs. Sophie Klingler, 601 Hanover street.

Leaders View Examples Of Handicraft At Meet

Gleaming copper and brass plaque-work from Daly City, linoleum block printing on both paper and textiles, and other examples of handicraft were displayed by local WPA Recreation leaders in Millbrae, last Sunday.

The entire Daly City recreation staff attended the Millbrae exhibition which culminated the recent in-service training period in San Mateo county. Examples of weaving, rug-making, papercraft, and indoor play equipment were displayed by central San Mateo county, while the southern section contributed similar work.

Guest speaker at the informal gathering was Ronald Campbell, San Mateo County commissioner. Bruce H. Boynton, assistant supervisor and Daly City recreation director, took charge of the community singing.

THE HEALTHY INDIVIDUAL

"By our play, as much as by our work, we defend democracy" was the challenging statement made this week by Miss Jehan Dorn, local WPA Recreation instructor. In her stimulating and scholarly report on supervised recreation, she pointed out conclusively what has always seemed to us a major point—our use of leisure time is vitally important to our well-being as a whole. Naturally, our democracy can be only as strong and able as we are.

Sure, Johnny measures 6 foot 2 inches in his stocking feet and is strong as an ox—but that doesn't mean we can chalk him up as a wholly healthy individual.

In considering the health of the individuals who comprise our community, we often talk only in terms of weight and height and the lack of obvious physical defects. We see to it (and a good idea, too) that our children are well-fed. We object to traffic hazards and inadequate plumbing.

But when it comes to the health of the mind—fully as important as the well-being of the body—we are apt to ignore the problem altogether; or at best, take the attitude that "that's somebody else's worry."

In Daly City one of the most important means we have to insure well-balanced lives for our citizens is our Recreation department. Day after day it is working toward healthy, satisfying recreation for both adults and children. It's helping to build sound minds in sound bodies.

We, like every other community where people have leisure time to spend, need supervised recreation. We need it just as surely as we need good schools and paved streets. So, let's make it our business to cooperate with and boost our Recreation department's program.

HAVE YOU MET HER?

To the owners of America's 50 million radio sets, the filing of monopoly charges against ASCAP—the American Society of Composers, Authors and Publishers—still leaves a big question unanswered. When will Jeanie's hair stop getting in the listener's? In a world of change, constancy is often a virtue. But the radio listener, twirling the dial in vain, is going to conclude constancy can be carried too far when, be it at dawn or midnight, he is ever meeting Jeanie with the well known hair.

WHO - WHAT - WHEN - WHERE - WHY -

A column of news and comment on National and Local Events

We have always maintained that one of the nicest characteristics of Californians is their love of celebrations. Back East and Up North folks say with admiration that they've never seen anyone have so much fun.

California's 1941 bulletin of fairs and fiestas includes literally everything from soup to nuts, what with a Vegetable Mardi Gras at El Centro and an Almond Festival at Oakdale. Whether your preferences run to desert or mountain setting, to rodeos or Swiss swing, you can readily find a plentiful number of celebrations of the type that suits you to a "T." Incidentally, copies of this year's Fairs and Fiesta Bulletin can be picked up free of charge at any office of the California State Chamber of Commerce in San Francisco, Sacramento, Stockton, Fresno, and Los Angeles.

The Ozarks may conjure up for most of us pictures of Daisy May and Lil Abner or possibly Bob Burns and his bazooka, but one association down there is right on its toes. Its slogan—a right up-and-coming one, is "Let's Get It Done In '41."

When we get The Alaska Weekly we are always amazed to find that their world isn't our world

and vice-versa. For instance, dog teams and dry-land dredges make front page news. And fur by the truckload for the feet of Alaska's soldiers has arrived in Fairbanks from Nome, freighted to Ladd Field aboard a B-17 Flying Fortress.

When it comes to the happenings that break one's heart over the current war, we guess it's the little things that do it... people going on about their business and being human and making jokes in spite of everything. A columnist in The Alaska Weekly was telling about a letter received from England.

A group of men and women in a pub the other evening got started making war parodies on old songs like "Just A Bomb At Twilight." The gem of the evening, it seems, was this:

Messersmidt, messersmidt, where have you been?

I've been to London to bomb up the Queen.

Messersmidt, messersmidt, what did you there?

I blew a big hospital into the air.

In our opinion it is time that more people heard more and better music. It looks like they will, too—

Dr. Stuart To Address County Teachers Assn.

"The Present Crisis in Foreign Policy" will be discussed at the first dinner meeting of the San Mateo County Teachers association, by Dr. Graham Stuart, political science instructor of Stanford university. The dinner and meeting will be held Monday evening at the Benjamin Franklin hotel in San Mateo.

Dr. Stuart has recently been selected by the Carnegie Foundation to be one of a small group of educators who will travel through South America on a good will tour.

A large crowd is anticipated by the association, including a group of Daly City teachers.

CCC Sets Dates For New Intermediate Enrollment Period

It was announced today by Don Wild, CCC Selecting Agent, San Francisco and San Mateo counties (1298 Post street, San Francisco; 430 Peninsula avenue, San Mateo) that a new intermediate enrollment starting February 18 and closing February 28, has just been approved by Washington.

As this will be a short enrollment, those wishing an opportunity to go to camp should file application immediately at the selecting agency or with one of the local State Employment offices. The intermediate period was designed primarily to fill vacancies made by vocationally trained enrollees who are leaving the corps to take jobs in private industry, bringing CCC camps to their maximum strength for efficiency of operation. The intermediate enrollments will supplement the regular quarterly enlistment periods January, April, July, and October, opening each month following the regular quarterly enrollment. Under this system there will be 8 rather than 4 junior CCC replacement enlistments a year.

In discussing the corps generally, the selecting agent called attention to the fact that the facilities of his organization and the California State Department of Employment are being co-ordinated to a greater degree for the ultimate training and placing of qualified enrollees in private jobs and on National Defense Projects. Another feature of interest in Wild's statement covering the corps' activities was the camp school, pointing out that all companies today have a well planned program giving enrollees academic instruction of high school standard with credits toward graduation.

For further information phone or write the selecting agency.

Daly City Theatre Plans Mammoth Revival Program For Thurs., Fri., Sat.

Paul Muni in a Scene from Howard Hughes' 'Scarface'

Would you like to see Spencer Tracy, Paul Muni, George Raft, Boris Karloff, Henry Armetta, Ann Dvorak, Karen Morley and many other now famous stars all on the same program? You will be able to do just that, if you attend the Daly City theatre, tomorrow, Friday or Saturday, when "SCARFACE" and "SKY DEVILS," both mighty pictures of a few years back, are featured on the same program.

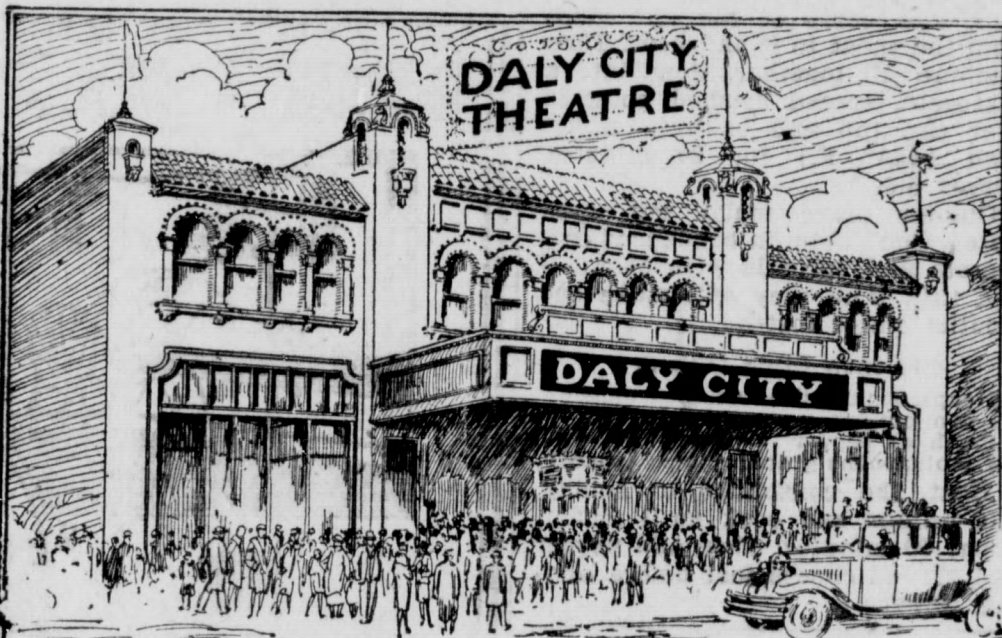

The management of the Daly City theatre announces that it has been able to secure both of these record-breaking films and they will be shown together on the same bill as a revival program. Hundreds of requests have come in to bring back these two mighty film productions.

Racketeering in all its ramifications,

particularly that branch which centers its activities in the illicit liquor traffic, is forcibly pictured in "Scarface." It is a film which for sheer dramatic power has seldomed been equalled on stage or screen, according to numerous critics.

Laughs and thrills in plenty are provided in "Sky Devils." For entertainment value, this mile-a-minute movie of fighting and flying fools unquestionably tops them all.

"A lot of the older movie fans will remember these two marvelous films and want to see them again and there are thousands of the younger generation who have never seen them and will want to see what the great pictures of a few years back were like," said William Smeltzer, manager.

COUNTY NEWS—

Food Stamp Plan—

All WPA certified workers receiving security wages and others receiving some sort of public aid are eligible to purchase food stamps for use in San Mateo county, Miss Helen M. Reid, special representative from the U. S. department of agriculture, told a recent gathering in Redwood City.

The introduction of the Food Stamp plan will enable stamp buyers to purchase foods distributed through regular channels of trade. Free distribution through SRA is discontinued.

Less Than 1 Per Cent—

San Mateo county is the only county in the State with less than one per cent of its population receiving aid to the needy aged, according to a report issued by the State department of social welfare for the month of December 1940.

Several counties have over three per cent of their population receiving this type of aid, while the average for the state is 2.1 per cent. Trinity county, according to the report, runs as high as six per cent.

The average San Mateo county family is estimated to contribute approximately \$16 in taxes annually to the needy aged program, while the average California family contributes approximately \$40 yearly.

Tuesday, February 25, Crocker PTA will hold its benefit whist party at 1:30 p. m. at Crocker school. The public is cordially invited to keep this date in mind.

Colma P. T. A. Holds Founders Day

More than thirty members and visitors of Colma PTA gathered in the Jefferson annex last Tuesday to celebrate Founders day.

Speakers at the affair included Mrs. H. Eder, second vice-president of seventeenth district and counsellor of the unit, and Mrs. H. Elder, fourth vice-president of the district. Mrs. G. McCullough and charter members and past presidents were distinguished guests.

Mrs. A. Dunkel presented a life-membership pin to Mrs. Dorothy Remington, past president. In charge of the day's program was Mrs. Ray Lagomarsino.

Say, Mama, Don't Forget Our Date

Next Wednesday is the time for my check-up. The Daly City Well Baby clinic will be open from 9 to 11 a. m.

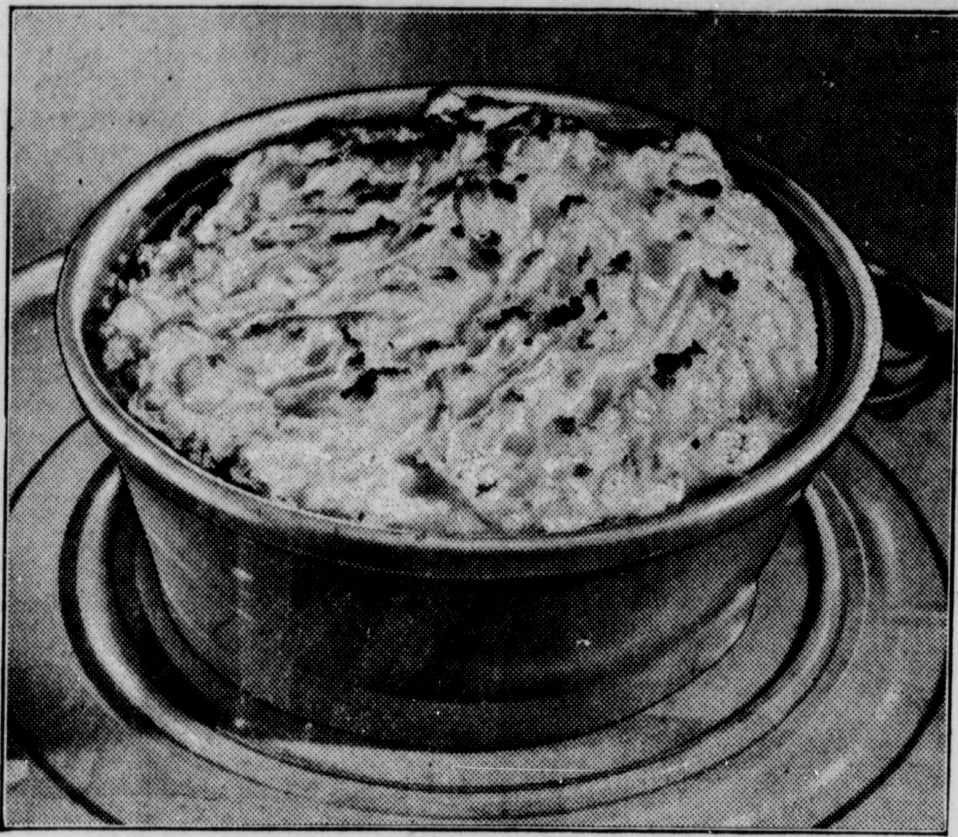

No charge is made. Scientific advice and aid in infant care are available to each mother. A child specialist and a nurse are in charge.

Only well babies are admitted to the center, located at the corner of San Jose avenue and Flournoy street. Visiting hours are the first and third Wednesday mornings of each month.

And, by the way, mama, I hope you've been listening. THIS IS IMPORTANT.

From appetizer to dessert this Dinner has FLAVOR

Dorothy Greig

Under the appetizing browned potato top is tender veal and vegetables in savory mushroom gravy.

WHEN it comes to sheer enjoyment of food, it is flavor that counts most.

Food may be healthful and nutritious but if it is flat and flavorless the family either pecks at it with slow reluctance or gobbles it fast to get it over with.

But present the same food seasoned with skill, cooked with loving care and the family eats it with honest relish, leaves the table in a contented glow, well fortified to face the world.

It is no wonder, then, that we keep ever on the alert to add to our knowledge of how to bring out the best in food, how to season for the utmost in flavor.

In the dinner outlined below, two of the dishes offer a new way to enhance flavor. First, however, here's the menu itself. It starts off with a bright appetizer.

Tomato Juice
Veal Pie with Mushroom Sauce,
Potato Cover
French Style Onions
Buttered Spinach
Gingerbread with Foamy Sauce
Coffee

Now that veal pie . . . simple to make as you will notice. But it has an extra plus touch—condensed cream of mushroom soup. The soup makes the gravy creamy, adds tender slices of fresh mushrooms and steps up the whole flavor of our pie.

Veal Pie with Mushroom Sauce,
Potato Cover

1 tablespoon fat, melted
1 pound veal, cut in one-inch squares
3 cups water
1 slice onion

1 teaspoon salt
Pinch of pepper
3 medium carrots (cut in wedge pieces 1 1/4 inches long)
2 tablespoons flour (mixed with 1/2 cup cold water)
1 can condensed cream of mushroom soup
2 cups seasoned mashed potatoes

Cook the veal in the melted fat until golden brown. Add water, onion, and seasonings and simmer until veal is nearly tender about 1 1/4 hours, then add carrots and continue cooking 20-30 minutes. Add thickener and cook five minutes longer. Empty the cream of mushroom soup into a saucepan and stir well, add some of the hot sauce from the meat to it and heat. Then combine all together. Pour into a casserole, spread mashed potatoes over the top and bake in a hot oven (450° F.) for 20 minutes. Serves 5-6.

Onions often make our eyes water. Cook them in condensed consommé and sprinkle with cheese—and this time they will make our mouths water instead.

French Style Onions

4 cups small silver-skinned onions
1 can condensed consommé
Pinch of pepper
3 tablespoons grated cheese (sharp)
Heat the consommé to boiling, add onions and cook until tender, about 40 minutes. Then add pepper and grated cheese just before serving. Serves 5.

Religious Painter

Luis de Morales, the famous Spanish painter, was called El Divino because of his emotional religious paintings. His favorite subjects, Ecce Homo, Pieta, Christ at the Column and Mater Dolorosa, were repeated many times and often copied.

'In France's Fields'

Every American is familiar with John McCrae's World war poem "In Flanders' Fields"; but not many know that he himself was killed in 1918 and was buried in a quiet little war cemetery at Wimereux, France, where hundreds visit his grave every year.

Shanghai Child Refugees

THIS WEEK - - At Jefferson Union High School

Classes

DRAMATICS

Attention a l l theatre-goers . . . coming soon to the Jefferson auditorium, is one of the most colossal, stupendous, and gigantic Vaudeville Reviews Daly City has ever witnessed.

There will be monologues, pantomimes, skits, songs, music and all the trimmings to make it a huge success.

Watch for the date in the column for it is promised to be presented in the near future.

ASSISTANT YELL LEADERS

If you see the walls of good old Jeff shaking on Monday afternoons don't be alarmed . . . it's only candidates for assistant yell leader exercising their vocal chords.

Harley Ferrando, Jack Hickey, Pamela Yorkman, Jenny Giusti, Norma Simonetti, Esther Hanel, Anita Lehigh, Mary SeuDenton, and Verna Platt are all working hard and hoping that they will be allowed to assist the new yell leader Tillie Castro.

"Gee! The kids sure have lots of pep and it is hard to tell which two will be chosen by the judges," said Tillie. "March 28 will tell the tale, as one boy and one girl will be chosen to participate in the first rally of the semester," concluded Tillie.

ENTERTAINMENT COMMITTEE

Hearts, valentines, and little axes will be combined to carry out the theme in Jefferson's first dance of the semester.

The date has been changed from Friday to February 21, due to the fact that the Jeff Indians are planning to meet the Sequoia basketballers in the gym on that day.

"With five new members added to the entertainment committee the dance is bound to be a huge success," said Betty Coen, chairman. "The kids are new and have lots of pep and unique ideas and that is what we need," concluded Betty.

Earlyn Barker, Charlotte Silvas, Frank Coen, Andrew Parodi and Gene Otonilo were the five chosen to serve on the committee.

CLASS ELECTIONS

Last Tuesday during their homeroom periods, the freshman, sophomore, junior and senior students held their class elections.

Votes were close in all of the classes, and the seniors had a tie for vice-president and were forced to call a revote. The freshman class also had a time with their election. Due to some error they are planning to call a revote, this week.

Katherine Lopresti was chosen by the sophomore group to lead them as their president. Her corps of officers are: vice-president, Andrew Parodi, and secretary, Frank Feno.

Third year students named Bob Spark as president, Dick Rupert won the vice-presidency, and Patsy O'Brien was chosen as secretary.

Senior officers for the spring term include: president, Dina D'Elia; vice-president, Lorraine Anderson; secretary, Melba Frei.

NEW STUDENTS

Jefferson welcomed fifteen new students to their campus last week. Although this is just a partial list of the many new students who have found a friendly welcome beneath Jeff's roof, this is as many as your reporter could get her hands on:

Linda Montgomery and Charles McCrystle, James Denman junior

high; Raymond Baray, Cathedral high; Los Angeles; Sylvia Bottini and Leo Bottini, Portola junior high; Josephine Strathman, Everett junior high; Dan Russell, Roosevelt junior high; Mary Fillmore, Mission; Irene Cancilla, Continuation; Virginia Jeffries, West high, Denver; John Fassett, John Swett junior high; Robert Solyman, Avaly high, Sebastopol; Ardis Hatton, Grass Valley, and Betty Day, Natron high, Wyoming.

Music

P i ckin's were sort of slim this week in the musical division. It seems that graduation made quite a dent in the chorus, band and other groups. Although there is a larger group than usual enrolled in the musical classes, it will take a little time for them to become acquainted with the music. In the meantime, a group of forty selected voices will present the Bayshore P. T. A. with a musical program. The students are the same group that sang for graduation.

On the program will be "My Hero" from the Chocolate Soldier, by Strauss; "Little Gray Home in the West" by Lohr. By special request of the unit, "The Lord's Prayer" by Malotte-Deis will be sung.

Accompanying the chorus will be Eugene McClain, Norman Wiseman, and Melbe Frei, who will alternate at the piano.

Campus Fashions

Everyone's looking for colored wool dresses to wear beneath their beige or light tan polo coats. Here is a beauty that has just been turned out by our fashion experts. Simply tailored, in a soft Angora wool of blue-green, (which by the way is one of the new 1941 spring colors), it is a "humdinger."

Styled with a round collarless neckline, it has yoked shoulders, buttons from top to bottom, long

sleeves and unpressed pleats in front.

This model is ideal for street wear, and trimmed in beige, it's a dream. Touch up your beige porkpie with a feather of matching blue-green, and carry gloves to match your dress. You'll be surprised at the effect of combining these two colors.

Speaking of pork-pies, have you seen the ones fashioned in corduroy? They certainly are darlings. Not only do these pork-pies look chic, but being styled in corduroy, the rain won't cause them to lose their shapes.

Ruddy cheeks, a pair of twinkling eyes and a sweet personality . . . when put all together they spell this week's Campus Miss.

Dressed in a fleecy, soft, sky-blue sweater, white blouse and a navy blue skirt, she told me that she was a high Sophomore, graduated from Jefferson grammar school, likes Jefferson Hi a lot, and has a pet like for charm bracelets.

In case you are still in the dark as to who she is, seventh period you will find her working in the office.

Why, of course, you know who I mean! So without further ado we hand this week's fashion bouquet to Miss La Verne Merlo.

Sports

GPAL

The girl "sports" held their election of officers last week. Pretty, redheaded Beatrice Putnam was elected by a large majority to act as manager, and Shirley Rice will be secretary-treasurer.

Managers for basketball, badminton and volley ball will be appointed by Beatrice at the next regular meeting.

The girls are out for basketball practice every Friday after school. The interclass games will begin immediately following the boys basketball games.

Statue to Anonymous

At Budapest in Hungary is a statue to Anonymous, a notary who wrote a chronicle of Hungarian history, the first page of which having his name was lost; hence the commemoration of an unknown historian.

TRAFFIC COURT

Police Hand Out Thirty-five Tags

With a total of 35 traffic tags given out by Daly City police officers this week, fines in Judge Wade H. Clay's court were unusually numerous.

Fifteen dollars for speeding was paid by Mary Hayden, 3416 Pacific avenue, charged with doing more than seventy miles an hour on Junipero Serra boulevard.

Other speedsters included James E. Malloy, 195 Alhambra, fined \$5; and the following, who each paid \$2.50: John P. Garbero, South San Francisco; Eddie Farrand, 168 Concord; Alfred Bignotti, 66 Joost; Carl E. Totten, 29 Joise street; Justin D. Schultz, Colma; Arthur Rude, 255 Maywood; Herbert A. Hill, 110 Hearst avenue.

George Hildreth, 600 Lakeview, was fined \$5 for driving without brakes or operator's license; Anthony E. Boben, 563 Vermont street, paid \$5 for going through a safety zone. Robert G. Hunter jr., San Mateo, was given a \$2.50 suspended fine for speeding.

Disregarding signals cost each of the following \$2.50: Herbert J. Bossier, 226 Silver avenue; Salvatore A. DeBella, 82 Sycamore; Armand C. Comfort, Burlingame; J. F. Carney, 910 Alvarado, \$2.50; John F. Connolly, 1141 Bay street.

Fined \$1 each for disregarding signals were Agapito Abrencia, Sharp Park; Luigi P. Denegri, 1456 York street.

Kansas City Shakeup

The shakeup of the Kansas City police department has really brought results. Cleanup has extended beyond crime and politics. Now Saturday night baths will be given the well—here's the story from the beginning. A police captain strolling through a park noticed the fish pond was scummy and the gold fish were mighty dingy. He ordered the water changed and each fish washed every Saturday night in a salt solution to brighten it up a bit.

THE SAINTS HAVE AMBITIOUS PLANS

Newest organization in Daly City, the Saints were organized here January 6, 1941. Little more than a month old, the club has ambitious plans for the future.

Officers will be elected each six months. The group meets each Monday evening at 7:30 p. m. at the homes of various members, and is predominantly a social organization.

Shown in the above picture, reading from left to right, are Hank Marscheck; Phillip Bolger, president; Paul Siragusa; Richard Bolger, secretary-treasurer; Albert Cavallero, sergeant-at-arms. Absent at the time the picture was taken was Frank Wulff.

Shipwrecks Missing

New Zealand has a shipwrecks society and no shipwrecks. It was disclosed by the Shipwrecks Relief society that money is accumulating in the bank for want of disaster. The society obtains its finances from the shipping companies and the harbor boards of this country, all of which make an annual contribution. Year by year the funds grow larger. Now they stand at \$80,000 and are safely invested. This has resulted in the society now receiving more than it spends. The position is regarded with satisfaction by local governments, it seems. Mayor Arthur H. Allen of Dunedin has said: "It is gratifying to know this money has been invested in gilt edged securities."

Borrowed First Prize

Bill Ray Harrison, 11-year-old farm boy, walked six miles to an amateur theater contest in Tulare, Calif., borrowed a guitar from the assistant manager of the theater and won first prize playing and singing "The Old Apple Tree in the Orchard."

Height of Chimneys

Height plays a considerable part in the efficiency of a chimney, many authorities maintain. For this reason, chimney heights of 30 to 35 feet as a minimum are recommended. Any arbitrary minimums must be considered in the light of local conditions, however, as overhanging trees, the height of the chimney above the roof, and strong prevalent winds can cause disturbance in the draft action.

First School Sports

The first regularly organized school athletic meeting of modern times was that promoted by the Royal Military Academy at Woolwich, England, in 1849.

Impulses Influence Life

It is much easier to act firmly and bravely under a strong impulse than it is to restrain an impulse when called upon to do so. Of all the battles of life there is not one that requires so much real courage as that silent battle with self, which every dutiful person finds it frequently necessary to wage.

John D. McLaughlin To Serve As Sergeant In Coast Artillery

John D. McLaughlin, well-known Daly City youth, was called back into the United States Army last week as a member of the Army Officers Reserve.

McLaughlin left Daly City Monday for his station in Monterey as a sergeant in the coast anti-aircraft artillery.

Only 23 years old, he has already seen extensive service with the army, having spent three and one-half years stationed in Hawaii.

For the past two years he has been employed at the Market and Montgomery street branch, Bank of America.

Saturday evening, he was a guest of honor at a farewell party given by his mother, Mrs. Lottie McLaughlin, at their home at 180 Irvington street.

More than seventy friends and relatives attended. Dancing was enjoyed to the music of LeRoy Fleming's orchestra.

Arbitrary Date Line

The International Date Line is an irregular line which is drawn somewhat arbitrarily on the map of the Pacific ocean, near the 180th meridian of longitude. This line marks the place where navigators "change their date" on the trans-Pacific voyage. The line is drawn on the map in a general north-and-south direction, separating the islands of the Pacific ocean in such a manner that all those in the east carry the same date as the United States, and those in the west the same date as Japan and Australia.

Early Soil Conservation

One of the earliest suggestions of soil conservation in Massachusetts was an act of the general court in 1739, forbidding farmers to turn their live stock loose to feed on the meadows between Truro and Provincetown. Horses and cattle had eaten so much of the beach grass that the sand dunes were heading toward the meadow land.

Troop 148 Open To New Members

Still looking for new members, Daly City Boy Scout Troop No. 148 again this week welcomed any new boys interested in Scouting to join their group.

The troop meets each Tuesday evening at 7:15 p. m. at the No. 5 firehouse, 335 Bellevue avenue.

Not a military or militaristic organization, Boy Scouts of America have as their aim the development of healthy American manhood.

Camping, hiking, woodcraft and other outdoor interests are particularly stressed. The troop owns its own tents and cooking kits, as well as various other equipment.

Scoutmaster is Mel Hansen, and assistant scoutmaster is George Freeman.

Local Sea Scouts Visit S. F. Ship

Several Daly City Sea Scouts recently enjoyed a visit to a San Francisco Scout Ship under the direction of Skipper Charles Eberling. Accompanying the local Scouts was Skipper Mel Hansen.

With games, explanation of various phases of seamanship and other entertainment features, the evening was a pleasant one. Roland Vergagni, keeper of the log for Sea Scout Ship No. 1, learned further details of his job.

Attending the affair were Skipper Hansen, Vergagni, Cockswains Don Geddes and Clarence Parr, Tom Beeson, John Coleman, and Fred Waterman.
